**INSTITUTE OF MATERIALS, MALAYSIA  
(Formerly the Malaysian Materials Science & Technology Society)**

The Malaysian Materials Science & Technology Society (MMS) was registered with the Registrar of Societies on 6<sup>th</sup> November, 1987. The MMS was actively promoting the awareness of Materials in Malaysia since 1988. In 1996, with a newly-elected Council, the change of name to the Institute of Materials, Malaysia (IMM) was submitted to the Registrar of Societies and approved on 16<sup>th</sup> June 1997. The new name was to be synergistic with the rest of the world. For example in the case of the United Kingdom, The Institute of Metals, The Institute of Ceramics and The Plastics & Rubber Institute were merged into a single Institute of Materials in 1992 where its Members are recognized as professionals with the status of a Chartered Engineer (C.Eng).

Membership to the IMM is open to all individuals and companies interested in developing the contribution of Materials science, technology and engineering towards industrial growth in Malaysia. The technology of Materials is advancing day-by-day throughout the world. We, in Malaysia, must keep up with the pace of technological advancement.

The objectives of the IMM include the training and development of individuals and companies in Malaysia to attain professional recognition in various fields of materials science, technology and engineering. Materials cover a very wide field such as metals, polymers, rubber, wood, concrete, ceramics, semiconductors, advanced materials, cellulose, textiles, *etc.* Membership to the IMM will enable networking and exchange of knowledge from a very wide variety of specialized areas of expertise.

The long-term objective of the IMM is to attain professional status for its members in line with that which is accorded to the other disciplines of engineering.

The IMM is also committed to seeking affiliations with overseas Materials and Engineering/Scientific professional institutions to gain access to technological developments worldwide. This will ensure that we, in Malaysia, will not be left behind.

## **COMPANY MEMBERSHIP APPLICATION FORM FOR AFFILIATES**

The Institute of Materials, Malaysia will recognize various professional institutions and societies for **free membership** at “Company Grade”. Company Members of the recognized professional institutions, societies & associations can become Company Members of the IMM without any annual subscriptions. The Council of the IMM approved the proposal in accordance to IMM Rules clause no. 3.2.3 at its Penultimate Council Meeting on 10<sup>th</sup> January 2014 which was endorsed at the 24<sup>th</sup> Annual General Meeting held on 21<sup>st</sup> March 2014. **Eligible members will need to fill up the form below and submit a copy of their membership certificate from their institute/society/association plus a one-time payment of RM50.00 (or USD\$16.00 or £10.00) for the IMM membership certificate(in electronic form *via* email).**

On behalf of IMM,

Assoc. Prof. Dr. Melissa Chan Chin Han

Honorary Secretary
