

27th Annual General Meeting

Reported by: Ms. Siti Rozana Abd Karim, Materials Technology Education Sdn Bhd
Edited by: Assoc. Prof. Dr. Chan Chin Han, Universiti Teknologi MARA

Date : 16th March 2017, 5.30 pm – 7.30 pm
Venue : UTM Space, Jalan Tun Razak, Kuala Lumpur

The 27th Annual General Meeting (AGM) was held in UTM Space, Kuala Lumpur on 16th March 2017. The president of IMM, Mr. Mohd Azmi Mohd Noor in his opening address expressed his gratitude to all IMM council members, committee members and members for their endless support to IMM events and activities. He highlighted the celebration of the 30th Anniversary of IMM in 2017 and an iconic event for the 30th Anniversary will be announced soon to all members. He acknowledged that members were the pillar of strength to IMM for all these years. He shared with the members on the IMM Away Day which was held on 14th January 2017. The objectives of the Away Day were (1) to revisit IMM strategic plan on mission and vision, (2) to provide road map of IMM for the next 5 years, (3) to strengthen industry-academia linkage (more insights from industry - university perspectives and Malaysian Board of Technology) and (4) to uplift IMM's professional status. Setting of Vision and Mission for IMM was made on 13th February 2017. The Vision and Mission of IMM were well accepted by all members.

VISION

TO BE AN INTERNATIONALLY RECOGNISED
LEADING INSTITUTION IN MATERIALS
SCIENCE AND TECHNOLOGY

MISSION

- To be the technical authority on material science and technology
- To develop and enhance competency and skills for all categories and practitioners
- To become an internationally recognized certifying body
- To be the forum for industry and academia collaboration
- To positively contribute to society and quality of life

The IMM Annual Report of 2016 was presented by Assoc. Prof. Dr. Chan Chin Han, the Honorary Secretary of IMM. The IMM had another eventful

year in 2016 with conferences, seminars and other events under various committees such as Materials Lecture Competition 2016 (MLC2016), 10th International Materials Technology Conference and Exhibition (IMTCE2016), Conference on Corrosion under Insulation (CUI2016), Kuala Lumpur Engineering and Science Festival (KLESF2016), friendly golfs and many more. She also presented the proposal of amendment to IMM Rules which includes the adoption of new IMM logo and replacement of IMM "Rules" with IMM "Constitution". The proposal was accepted by the members unanimously. The statement of accounts of IMM for the year of 2016 was presented by Ir. Suradi Md Yasin, the Honorary Treasurer of IMM. Two members were then nominated as internal auditors, *i.e.* Marvin Ooi Beng Chong and Aaron Williams. The AGM adjourned at 7.30 pm.
