

IMM Coatings Seminar

Prepared by: Ms. Zalilawati Hasan, Materials Technology Education Sdn Bhd
Edited by: Mr. Muhammad Hawari Hasan, IMM Coatings Committee Chairman

Date: 23rd February 2017
Venue: Tanjong Puteri Golf Resort, Pasir Gudang, Johor.
Theme: Industry Engagement on Skills Competency & Safety

IMM Coatings Seminar was successfully organized under IMM Coatings Committee with 53 participants and 5 exhibitors. A total of 5 invited speakers were noted. IMM Coatings Seminar was aimed at highlighting the reasons for failures and ways to rectify them. Areas covered included:

- 1) Coating Failures and ways to rectify them.
- 2) New innovative ways to reduce coating costs.
- 3) Sharing Coating Industry best practices (learning from NACE/SSPC/ICorr/FROSIO)
- 4) How do we compare to other countries in the region in terms of coating practices.
- 5) Internal Linings – New ISO standards in the pipeline.

Presenters from the industry and academia are gathered at this seminar presented their knowledge and sharing their experiences.

IMM also very thankful and appreciates all of the Sponsors/Exhibitors in the event:
