

IMM 1-Day Conference on Insulation

Prepared by: Ms. Zalilawati Hasan, Materials Technology Education Sdn Bhd
Edited by: Mr. Danny Tan, Abadi Oil & Gas Sdn Bhd

Date : 16th March 2017
Venue : UTM Space, Kuala Lumpur.
Theme : Assuring Integrity & Performance

1- Day Conference on Insulation was successfully organized under IMM Thermal Insulation Committee with 76 participants and 4 exhibitors. A total of 6 invited speakers were noted. 1- Day Conference on Insulation was aimed at bringing together experiences, knowledge and ideas to tackle this problem in a holistic manner going forward. Presenters from the relevant industry and academia involved in plant/facility operations & maintenance, inspection & monitoring, protective coatings, insulation, cold & hot processes, etc. gathered at this event, presented their knowledge and sharing their experiences. The time spent at this conference will help delegates to appreciate and understand insulation issues to improve plant & facilities safety and reduce life cycle costs.

The Invited Speakers are:

1) Mr. David Lake, Advanced Technology Testing & Research, Australia (Utilising acoustic emission to

- 'globally' detect, locate and monitor (hidden) corrosion, cracking & leaks (Risk based inspection)
- 2) Mr. Benson Soon, The Sherwin Williams (A system approach via NACE Standard SP 0198-2010 for CUI Mitigation)
 - 3) Mr. Bong Yung Foo, Malaysia LNG Sdn Bhd (Insulation integrity for LNG plant)
 - 4) Mr. Rehan Ahmed, PETRONAS Carigali Sdn Bhd (Industrial Insulation 101)
 - 5) Mr. Han Ah Kwang, Teras Majujaya Sdn Bhd (QC Inspection during Insulation installation)
 - 6) Mr. Muhammad Kamil Kamarul Bahrin, Malakoff Power Bhd (Challenges and issues related to the operations and maintenance of insulation in the Power sector)

IMM also very thankful and appreciates all of the Exhibitors in the event:

IMM Friendly Futsal Game 2017

Prepared by: Ms. Zalilawati Hasan, Materials Technology Education Sdn Bhd
Edited by: Ir. Mohd Suradi Yasin, Institute of Materials, Malaysia

9 futsal teams gathered on Saturday 25th February 2017 morning at the Kompleks Rakan Muda Puchong (IM4U Central), Selangor. This is the 1st IMM Friendly Futsal Competition ever had to promote working together among members and friends. Each team contributed RM500.00 as registration fee to share costs of refreshment, goodies and prizes. The participation teams were from Serba Dinamik Sdn Bhd (2 teams), SMEC, TTDI Jaya, Shapadu Energy & Engineering Sdn Bhd, Bureau Veritas (M) Sdn Bhd, TNB Remaco Sdn Bhd, IM4U, SGS (Malaysia) Sdn Bhd and Cekap Technical Sdn Bhd.

IMM will continue to organize such friendly game activities in coming years, with the main intention of creating networking sessions among members and public. Thank you to all the participating teams and congratulation to the winners!!
