3. HIGHLIGHTS OF ACTIVITIES IN 2024

3.1 Surveillance Audit on Accreditation to MS ISO/IEC 17024

The Secretariat received Certification of Accreditation to ISO/IEC 17024 with the accreditation number ACB PS 0006 on 29th March 2021 from Standards Malaysia. The covered schemes are the Mechanical Joint Integrity (MJI) and Coating Inspector (CI) certification schemes.

An annual Internal Audit for compliance with MS ISO/IEC 17024 was conducted at the IMM office from 15th to 19th July 2024. During the audit, five (5) minor NCRs were identified. The Secretariat submitted the evidence and corrective plans, which were verified and closed by the Lead Auditor on 6th September 2024.

3.2 Training, Examination and Certification

A total of one hundred and twenty-six (126) IMM certification examinations were conducted in 2024. Most of these examinations were held in conjunction with the corresponding training programs conducted by the Associate Training Partner (ATP) and Authorized Training Bodies (ATBs). Please refer to **Appendix 1**.

3.3 IMM Membership

A total of one thousand two hundred and seven (1,207) new admissions were recorded as IMM Membership in 2024. These applications were primarily obtained through various channels, including the IMM examination, conference activities, social media platforms, the IMM website, and webinars/seminars organized by IMM committee members. Please refer to **Appendix 2**.

3.4 Asset Integrity Committee [Chair: Mr. Prince Ng See Meng]

The documents related to the MJI certification programs are under reviewed by the Chairman to identify areas for improvement.

3.5 Coating Committee [Chair: Ir. Ts. Haji Affandi Majid]

No activity is to be reported.

3.6 Materials Fingerprinting [Chair: Dr. Suhaila Idayu Abdul Halim]

No activity is to be reported.

3.7 Corrosion Committee [Chair: Ir. Ong Hock Guan]

The IMM Corrosion Committee held three (3) meetings thus far in the term 2024 – 2025 as follows:

- 1st Committee Meeting: 13th June 2024
- 2nd Committee Meeting: 9th October 2024
- 3rd Committee Meeting: 5th December 2024

- i. A kick-off virtual meeting for the RBIP Certification Scheme was held on 17th September 2024.
- ii. The One-Day IMM Corrosion Conference, themed "Navigating Corrosion Challenges in the 2020s: Sustainable Practices for a Resilient Future," was successfully held at the Sheraton Imperial Kuala Lumpur Hotel on 17th October 2024.
- iii. A plant visit to Sumisaujanan TCM Chemical Sdn. Bhd. in Puncak Alam took place on 18th October 2024.

3.8 Welding Committee [Chair: Mr. Mohd Zamri Jaafar]

Regular meetings were held to discuss the plans for the committee.

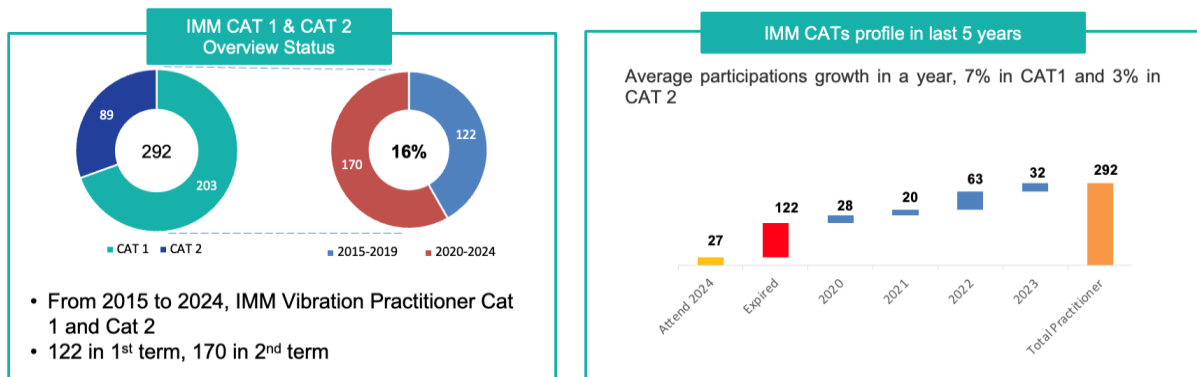

3.9 Insulation Committee [Chair: Mr. Danny Tan Kim Chew]

A presentation on the Thermal Insulation Standard was delivered at the AMVIP Coatings and Insulation Conference in October 2024.

3.10 Non-Metallic Committee [Chair: Ts. Ong Thai Kiat]

No activity is to be reported.

3.11 Vibration Committee [Chair: Mr. Azman Jamaluddin]

- As of Q3 2024, the average participation growth in CAT 1 is double than CAT 2.
- 122 Practitioner certification expired in the year 2024. (CAT 1:48, CAT 2:74).
- Trending from the post covid, CAT 1 participation is higher than CAT 2.

- Development of enhanced executions and modules in CAT 1 and CAT 2, and extension to CAT 3 and 4.

3.12 Continuing Professional Development (CPD) [Chair: Ir. Ts. Dr. Tan Kim Seah]

A meeting was held to discuss the plans and the implementation of IMM CPD.

3.13 Education Committee [Chair: Ir. Max Ong Chong Hup]

i. Development of IMM Materials Failure Investigation Practitioner (MFIP) Certification Scheme

- The IMM MFIP Levels 1, 2, 3, & 4 Exam Brochures with Q&A sets were completed and compiled by the IMM Secretariat for submission to ECP.
- The new IMM MFIP-01(2024) Skill Standard was submitted to the Standards Development Committee and approved in August 2024. It was then circulated by the IMM Secretariat for Public Comment from 24th September 2024 to 23rd October 2024.
- The IMM MFIP Certification Scheme was officially launched on 29th October 2024 at the Nottingham University, Future Students Centre, Petaling Jaya.
- The IMM MFIP-01 Standard was officially published on the IMM website on 8th November 2024.
- The IMM MFIP Certification Program will be administered by the IMM Corrosion Committee.

ii. IMM Certification Programs Collaboration with Universities

- Universiti Malaysia Pahang Al-Sultan Abdullah (UMPSA) visited the IMM office on 9th October 2024 for discussions on the Memorandum of Agreement (MOA).
- Current collaborations with UTM and UTHM are ongoing.

3.14 Examination and Certification Panel [Chair: Ts. Brian Lim Siong Chung]

Approvals for IMM Examiner applications were conducted through email communication with the Secretariat.

3.15 IMM-MBOT Committee [Chair: Ts. Wan Mohd Arif Wan Ibrahim]

No activity is to be reported.

3.16 Impartiality Committee [Chair: Mr. Kang Kim Ang]

A meeting was held to discuss the Roles and Responsibilities (R&R) of the Impartiality Committee Members, committee plans, and the current status of the MOA and SOP review.

The committee reviewed the MOAs and SOP and addressed complaints and feedback, sharing their perspectives through email communications.

3.17 Materials Lecture Competition Committee [Chair: Dr. Abdul Hakim Md Yusop]

- i. MLC Committee 1st meeting in May 2024 with the main agenda:
 - Discussion on MLC2024 preparations.
 - Presentation by Malaysia Finalist on her experience in participating in YPWLC2023.

- ii. MLC 2024 internal competitions at various universities in Malaysia in July 2024.
 - Objective: Each participating university will select the first winner to compete in the national MLC2024 event.
- iii. MLC2024 Semi-Final Event on 4th September 2024 organised by Universiti Malaya.
 - Objective: To select top 5 winners to compete in the MLC2024 Finals virtually via Zoom platform.
- iv. MLC2024 Final Event on 23rd September 2024.
 - Objective: To select top 3 MLC winners and Malaysia Finalist in YPWLC2024.
 - The event was organized via online Zoom platform, hosted by the Center of Advanced Materials, Universiti Malaya.
- v. YPWLC2024 event on 28th November 2024
 - Organiser: IOM3
 - Platform/Venue: Online

3.18 Publication [Chair: Assoc. Prof. Ts. Dr. Tay Chia Chay]

Published Materials Mind Issue No. 40 (Apr 2024) in softcopy version.

3.19 Membership Committee [Chair: Ir. Ts. Noor Hisham Yahaya]

Quarterly updates on membership admission and monitoring are presented during the Council meetings.

3.20 Standards Assurance Committee [Chair: Assoc. Prof. Dr. Amalina Muhammad Afifi]

An MS ISO/IEC 17024 Audit Refresher Workshop was conducted for Internal Auditors on 24th June 2024. Additionally, an Internal Audit for compliance with MS ISO/IEC 17024 was held at the IMM office from 15th to 19th July 2024.

3.21 Standards Development Committee [Chairs: Asst. Prof. Ts. Dr. Yu Lih Jiun]

Review, public comment, launch, and publishing of the Material Failure Investigate Practitioner (MFIP) Standard.

3.22 Student & Young Section [Chair: Assoc. Prof. Dr. Lim Teck Hock]

No activity is to be reported.

3.23 Bintulu Chapter [Chair: Mr. Raymond Phen]

No activity is to be reported.

3.24 Miri Chapter [Chair: Ir. Dr. Edwin Jong Nyon Tchan]

For 2024, the IMM-Miri Chapter conducted four (4) committee meetings as listed below:

- i. 13th April 2024: Organized the first IMM-Miri committee meeting with the presence of 8 committee members for 2024.
- ii. 15th June 2024: After the GAWAI get-together lunch, conducted the 2nd IMM-Miri committee meeting at Eastwood Valley Golf and Country Club, Miri with 13 committee members participating.
- iii. 17th August 2024: Organized 3rd IMM-Miri committee meeting and “get-together” lunch at Eastwood Valley Golf and Country Club, Miri with 10 committee members participating.
- iv. 9th November 2024: Organized 4th IMM-Miri committee meeting and “get-together” lunch at Eastwood Valley Golf and Country Club, Miri.

For 2024, the IMM-Miri Chapter conducted/involved with seven (7) projects/activities as listed below:

- i. 13th April 2024: Before the 1st committee meeting, organized the RAYA Get-together lunch with 8 committee members participated at Eastwood Valley Golf & Country Club, Miri.

- ii. 15th June 2024: Organized the 2nd committee GAWAI Get-together lunch with 13 committee members participating.
- iii. 10th Aug 2024: IMM-Miri (led by Dr Christine) together with IMM-CUM have successfully completed a one-day stainless steel and high nickel alloys workshops with five industrial speakers from both PCSB and SSB to share their respective working experiences via physical and hybrid platforms from 8.30am to 5.00pm, venue at CUM SK3-206; a total of 8 CPD hours being granted by IMM Council.
- iv. From 30th Sept to 1st October 2024: Organized by MTE, Dr Edwin Jong conducted a 2-day MFIP (Materials Failure Investigation Practitioner) Level 3 Training and Certification Course for 4 SIRIM Materials Engineers with working experiences between 6 to 12 years at Block 20 SIRIM, Shah Alam. After judging their respective knowledge and materials failure experiences, the MFIP assessment committee have passed their applications to MFIP Level-3 certification, i.e., all have been exempted from the 2-hour MFIP written examination.
- v. 16th August 2024: IMM-MFIP and Miri Chapter committee jointly visited Petronas Carigali (PCSB) office in Miri to brief and share on the newly approved Materials Failure Investigation Practitioner (MFIP) training and certification program/scheme at PCSB-SKA conference room, Lutong. Some six PCSB MCI engineers under the leadership of Ivy Cheong and Cynthia Jane have attended the approved IMM-MFIP training and certification course briefing from 9.30am to 11.30am. Reasonably good responses from PCSB MCI engineers.
